# Senior Class Officers 2007

John Vinekier  
President

Congratulations Seniors!

Hannah Thomson  
Vice President

We are done. For many this is a relief, but for others a time of uncertainty. Although we will all branch out, and go our separate ways, we will remember the lasting memories we have made together. As Jeromy Irons said, "We all have our time machines. Some take us back, they are called memories. Some take us forward, they are called dreams."

Always remember Yale High School  
and the Class of 2007.

Now go and follow your dreams!

While we are at the glorious Yale High School, we should make the best of what time we have left. High school will help shape our lives and determine what we will become in the future. With three quarters of our high school career accomplished, I encourage everyone to try their best. However, have fun at the same time. Good Luck to all!!!

*How do you feel at the end of the day, and is it worth it?*

At the end of the day, it's quiet, but reflective. I think of what went well, or what I could have done better. Is it worth it, yes- the answer is always yes! -Mr. Dewey, Art

I look back and think what positive moments there were for the day. Absolutely, it was worth it! I usually learn at least one new thing myself everyday from my students! -Ms. Schnieder, English

At the end of the day, I feel exhausted! But it is a good kind of exhaustion- it means that I gave my all- and that's what makes it worth it! -Madame Nicholl, French

At the end of the day I leave looking forward to the next day, because there is always a new experience and it is always worth it. -Mrs. Staskiewicz, Health

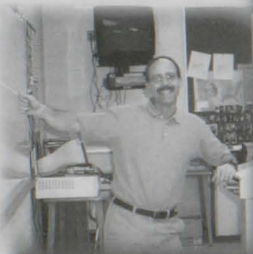

I'm usually tired by the end of the day. I try to put a lot of energy into my teaching, and analyze what works and doesn't. On the whole, I think this is one of the most important jobs around, educating, and inspiring. Of course it is worth it! -Mr. Schrand, Math

SADD stands for Students Against Driving Drunk or Students Against Destructive Decisions. Demonstrated through our actions and words, SADD's purpose is to increase positive decision-making and reduce negative alcohol and other drug related choices. We include all students who support this goal. We also recognize the harmful effects of alcohol and the use of other substances by underage teens. We encourage the expansion of our purpose to include those activities that contribute to the positive development of individuals and a caring spirit.

SADD sponsored a mock crash to show a realistic depiction of an alcohol-related crash, an event designed to emphasize the tragedy of teenage deaths due to alcohol-related accidents.

Student Council is an organization that gets involved in their school and community in a variety of ways. It gives students a chance to help make decisions about our school. In addition to being a wonderful learning experience, it shows students that they have a voice in the school, and that adults value their input. Leadership is key to a successful student council, and all of the Yale Student Council members display a fantastic amount of leadership. ## The Money in Uncle George's Suitcase

Written by: Pat Cook

When Uncle George invites his whole family up for a weekend of fun at his cabin, he actually wants them together so he can read his will. Soon Uncle George drops the bomb that somewhere on the property is a suitcase holding \$480,000! What follows is a hilarious farce of pettiness, slander and greed. But George's gift is much more important than mere money, even though the relatives don't see it that way at first.

# DODGEBALL

*Staff vs. Seniors  
It's On!!!!*

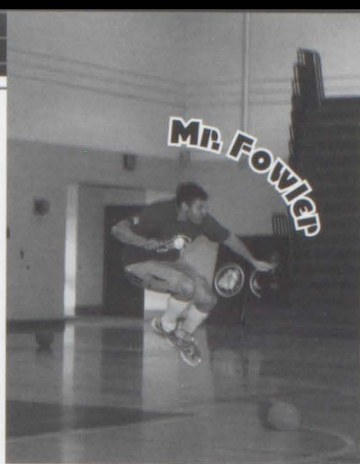

Mr. Glavach hustling after the ball!

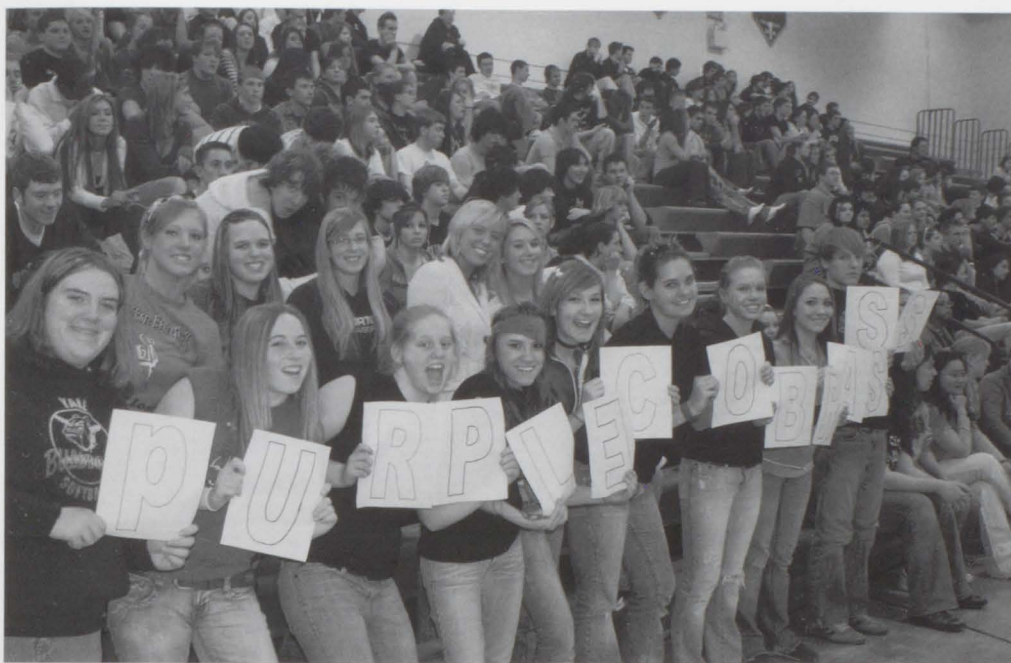

Mrs. Gerardy

Mr. Fowler

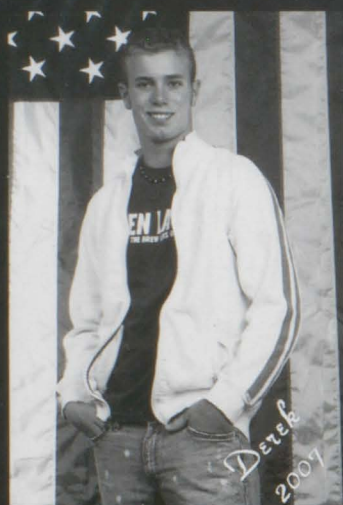

Staff preparing for a tough match with students!!!

Dodgeball was a fundraiser for the Senior All Night Party! It was a relationship builder between students and staff! 11 teams of 6 were involved and 2 teams were staff! The object of the game is to eliminate all opposing players by getting them "OUT." It may be accomplished by: (1) Hitting an opposing player with a LIVE thrown ball below the shoulders, or (2) catching a LIVE ball thrown by your opponent before it touches the ground.

Congratulations Derek (Zeke), We're so proud of you! It's good to have an end to journey toward, but it's the journey that matters in the end. Go confidently in the direction of your dreams and live the life you imagined.

A child is a gift from God Eddie. It is the most rewarding thing a parent can invest in. You are our greatest reward and I thank God he chose us to be your parents. Remember Eddie, if you lead through Christ, everything else will follow. Instead of having what you want, what you have. Love with all your heart and do what they want, you will have what you want. We are proud of you because of who you are. You are kind and generous. You are loyal and so positive in your beliefs. People will challenge you and they will not always understand you, but you are strong and must never stray from what you know in your heart to be right. Have compassion and always be true to yourself. Have a blast in life because believe it or not it is so very short. We love you and will always support you.

**A baby to a boy to a man**

We raised our baby to be a boy  
We raised our boy to be a man  
We yelled, screamed, hugged and loved,  
so he would be a better man.  
As we sit and cry that our boy  
is now a man, we know that  
our job is done. We sit back  
and see what he has achieved  
and what he'll achieve as a man.

Where has the time gone? Seems like only yesterday your Dad and I were holding you're little hand, while you looked up at us with big green eyes. You depended on us for everything. Hard to believe it's been 18 years and you are ready to start the next stage in your life. You will always remain a very loving and caring person. Know that life will not always be easily understood, but keep an open mind and remain true to yourself by never giving up. We wish for you son, a long life full of love and happiness and know that no matter how old you are and no matter where your life leads you we will always be your parents and friend. We are very proud of you. You have become more than we've ever prayed for. We have truly been blessed.

With all of our love  
Mom & Dad

For there is no friend like a brother, in all our time we spend together, I will always cherish it forever. I'm proud of you. Thank you for all the rides to school, sports, work, and friend's house. You've been a #1 brother and I look up to you every day. I know you will be successful in anything you do because you never give up.

Love, Jacob

You will always be our  
Little Princess Meg!

**WE ARE SO PROUD OF

and  
you will conquer all.

### Colophon

The 2007 yearbook staff worked hard to create a memorable high school yearbook. With the theme, "Simply Unforgettable..." many dedicated students put out countless hours of time and energy in order to meet every deadline. The yearbook was printed by Herff Jones Yearbook Company in Edwardsville, Kansas with a run of 420 copies. This year's book was created using Adobe Indesign CS2. All pictures were digital and formatted with Corel Draw and Adobe Photoshop.

Our deepest gratitude goes out to all of our administrators, faculty members, and staff for their support and cooperation during the school year.

Also, a very special thanks to all of our sponsors and advertisers whose funding makes the production of the yearbook possible.
